

T-BALL & MP PRACTICES

The following will be a list of rules T-ball and Machine Pitch coaches will have to follow when scheduling a practice at Candlelight on Mondays and Fridays.

1. First come first serve on your playing field.

In order to hold a field you must have at least four (4) players from your team present. If a coach comes while you are on the field and he has at least four (4) kids then you must give him the field.

2. Only coaches or assistant coaches can hold the field.

No parents, team moms, etc., can hold the field.

3. NO Lights will be available.

4. NO Machine Pitch machine will be available.

5. You may practice at a different field other than your own but as soon as a team from that division shows up you must give them the field.

**IF YOU DO NOT FOLLOW THESE RULES
A LOSS WILL BE ASSESSED!
NO EXCUSES!!**

Thank you,
